RE: DES Wetlands File #2004-01563, 29 Ledge Road, Holderness

Dear Mr. Melendy:

On July 13, 2005, personnel from the Department of Environmental Services ("DES") conducted an inspection of the above-referenced property, more specifically referenced on Town of Holderness Tax Map 239 as Lot 56 (the "Property"). The purpose of the inspection was to determine compliance with RSA 482-A and applicable rules adopted under that statute, and specifically whether the deficiency noted in the Letter of Deficiency issued to you on March 24, 2005, had been addressed.

As a result of this inspection, it was determined that the deficiency described in the Letter of Deficiency has been corrected. DES will close its enforcement file regarding the Property at this time.

Please be advised that altering the size, location, or configuration of your dock requires a DES wetlands permit prior to the start of such work, even if the dock is considered "grandfathered."

Thank you for your cooperation in bringing this matter to a resolution. Should you have any questions, please contact me at (603) 271-4056 or by e-mail at lmagoon@des.state.nh.us.

Sincerely,
